Enclosing copy of my application to the H.O. Mangalore Municipality + of his memo: 443 & 6.2.42 I have the honour to request that the necessary sanction may be accorded to the transfer of the bones of my revered mother who died on 10-2-1932 from the 'Cutchi' grave in the cemetery near the Milagres Church, Mangalore city to the grave of my late revered father who died in September 1889 & was buried inside the Chapel of our Lady of Dolours, Codialboil, Mangalore city, the distance between the two graves being about two furlongs. I therefore earnestly request that early sanction may be given so that the removal of the holy remains of my deceased mother may be carried out before the arrival of the monsoon under the direction + to the satisfaction of the Health officer of Mangalore.

The Health Officer, Mangalore Municipality
Through the Rev. Vicar of the Milagres Church, Mangalore.

Sir, I have the honour to submit that my mother Mary
Magdalena Tauro aged 95 years died on 10-2-1932 and was
buried in the open Cemetery of the Milagres Church. As my father
Jesús E. Saldanha's remains were buried in September 1889
in the right-hand Balcony of the Cordialboil Chapel, Mangalore,
at my earnest and humble desire to have the bones of my
dear mother to be translated from the grave in the Milagres
Church Cemetery into the grave of my father, the ^{R.C.} Bishop
of Mangalore has agreed to this after some correspondence.

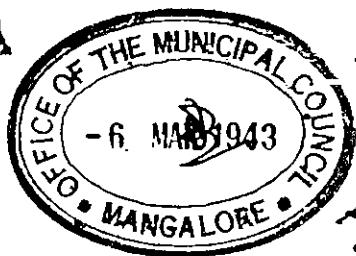

When your sanction is given to open both the graves I shall
bring a lead coffin to receive the bones of my ^{dearest} mother
which will be sealed there & then in the presence of your
deputed overseer & duly removed to the Cordialboil Church
& will be placed in the grave of my father & the ^{grave}
blessed & closed. A small slab will be placed on the ^{near} wall
to mark the grave.

I therefore request that you may be pleased to grant
the necessary sanction & send the same to the V. Rev.
Vicar of Milagres Church. If the sanction could be given
soon the transfer of the revered bones of my dear mother
before the 2nd of November next on which we celebrate
All Souls Day.

Thanking you

I keep to remain Sir,

Yours most devoted & humble servant

The cause of death of late Mr. Felix E. Saldanha could not be traced in the Municipal Death Registers, as his death was probably not registered at the time. As he is said to have died so long ago as in September 1889 there is no objection from the public health point of view to the reopening of his grave inside the Kodialball Church for the purpose of re-interment of the remains of his late wife who died on 10th February 1932. She was aged 93 years at the time of her death from natural causes, namely, old-age. I certify that no risk to public health will be incurred by the dis-interment of her remains.
